Karta 1. Regionens kommuner och Stockholms stadsstadsdelar samt information om befolkning (år 2022) på en lägre kommunnivå

Karta 2. Bebyggelsestruktur och kollektivtrafik i länet

Karta 3. Den centrala regionkärnan och de regionala stadskärnorna, utom Arlanda-Märsta

Karta 4. Vårdutbudet och kollektivtrafiken i den centrala regionkärnan

The figure consists of six maps of the Stockholm region, arranged in a 3x2 grid. Each map shows the distribution of health care services, with various facilities marked and their catchment areas shaded in different colors (red, orange, yellow, green). The maps cover different parts of the region, including the central city area, the northern and southern suburbs, and the surrounding islands and coastal areas. A scale bar at the bottom right indicates distances up to 10 km.

- Top Left Map:** Shows the central city area, including the city center and the surrounding islands. Key facilities include the Airport Sky Vårdcentral, Märska läkarhus, Arkadens läkarmottagning, and Din Doktor Märska. Catchment areas are shown in red and orange.
- Top Right Map:** Shows the northern and central parts of the region. Key facilities include Kallhälls nya vårdcentral, Huslärarmottagningen, and Husby Akalla vårdcentral. Catchment areas are shown in red and orange.
- Middle Left Map:** Shows the southern part of the region. Key facilities include Vallatorps Doktorn, Visinge, Ensta, and Enebybergs vårdcentral. Catchment areas are shown in red and orange.
- Middle Right Map:** Shows the central and southern parts of the region. Key facilities include Västertorp, Fruängens vårdcentral, and Huddinge vårdcentral. Catchment areas are shown in red and orange.
- Bottom Left Map:** Shows the southern part of the region. Key facilities include Capho vårdcentral, Tallhöjdens vårdcentral, and Södertälje Hälsocenter. Catchment areas are shown in red and orange.
- Bottom Right Map:** Shows the southern part of the region. Key facilities include Händens vårdcentral, Brandbergsens vårdcentral, and Jordbro vårdcentral. Catchment areas are shown in red and orange.
